MAP TO JOBSITE: (Required)  
 Include a sketched or computer generated map to the jobsite showing directions from major highways.

DELIVERY ROUTE PREVIEW: (Required)

- Physically preview the delivery route for safe and legal travel by a Woodharbor Semi-Tractor/Trailer. (Woodharbor delivery trucks are 72' long, 8' 5" wide and 13' 6" high and require a 40 ton road axle weight allowance).
- Check for bridge/wire/tree branch clearance.
- Check road and bridge weight limitations, road surface conditions and turn-around clearance.
- Arrange for 2 able-bodied people to offload product from the tailgate to the residence and to sign-off on the delivery paperwork.
- Any damage to a Woodharbor truck, personal property damage, towing charges, etc. will be the responsibility of the dealer. The Woodharbor driver will make every effort to safely and legally deliver product to a jobsite, however it is the driver's discretion to decline the delivery if reasoned unsafe, illegal or unfit.
- Home Delivery Service is available within a 75 mile radius from the dealership for \$250 NET. For further distances, contact Customer Service for a quote.
